

The Wedding Singer Audition Sides

Please select one of these sides and be prepared to act it out at your audition. No need to have it memorized but know it well enough that it shows off your ability and creativity! Select the side that best fits the character you feel most comfortable creating.

Robbie/Sammy/Ensemble:

(lying in the dumpster-talking to Julia who is standing outside the dumpster)

Did everybody leave? Man...I think I'm sitting in creamed corn...from last week! Ugh.Cops still interviewing witnesses? Geez what a mess I made this time! I'll NEVER meet anyone new...or good looking...or sexy....or employed...maybe I was stupid to get engaged in the first place. I mean look at you, you're not engaged and you're happy! (looks at her)
What? Wait a minute..you got engaged? Oh...of course you did! Well that settles it- I am totally not singing at your wedding..I appreciate what you;re doing here.. But it's not gonna work.

George/Ensemble:

(finding Robbie still in bed after a long night of drinking)

Hey Robbie....Robbie...dude! Wakie wakie!! Sammy and I have been getting kind of worried. You don't seem to be bouncing back from this so good. So..... we came over here to cheer you up! Although it seems like what you need is not so much "cheering up" as "anti-psychotic medication".

(spies something in Robbie's hand) What's this? The plastic bride from your wedding cake? Oh honey ...this is exactly what happened to Luke on "General Hospital" after he saw his sister thrown off Stefano's yacht and eaten by seals. Robbie might not be able to perform for years!!

Glen/Ensemble:

GLEN (on the phone with Julia)

Jules! Guess where I'm calling from? Come on guess!! My car! It's called a "cellular phone". You can take it anywhere. The battery's a little big but the reception is primo. So listen, you're gonna kill me. But Martin just scored an extra ticket for the Knicks game. I know it's our anniversary, so I told him forget it, but he said it's really hard to get these seats. They're courtside.You're kidding. Really? Oh, baby, thank you! Look, I'm gonna make this up to you. I'll have my secretary get us a reservation at Il Carousel...you know that revolving restaurant?... Motion sickness? You'll be fine..Happy Anniversary baby!

Julia/Holly/Ensemble: (read for either role, we'll have someone read with you)

HOLLY

Wow, she's alive! After that night at the club, I thought you'd be out of commission for at least a week.

JULIA

That wasn't me. That was my evil twin - Drunky McWasted.

(Pause.)

So... how did things go with Robbie? Anything happen?

HOLLY

We kissed.

JULIA

Who kissed who? Did you kiss him or did he kiss you?

HOLLY

I kissed him, okay? But that was it.

JULIA

So you and he didn't...

HOLLY

Nope. Nothing. He sure doesn't think much of Glen though. Said he's a jerk-off.

JULIA

Why does he think Glen's a jerk-off?

HOLLY

Who knows, maybe he's just jealous.

JULIA

Jealous? Why? Did he say that? Did he use that specific word? Jealous?

HOLLY

Well, jealous of Glen's success, I mean.

JULIA

Oh.

HOLLY

What else could he have meant?

(Pause.)

You know it's hard for these guitar players. They can be fun to hang out with, but at the end of the day, women want someone stable. Someone with a house, a car, a real job...someone like Glen.

JULIA

Wanna know a secret? I sometimes think Glen was a little sweeter when he had less. Do you think money changes people?

HOLLY

Yes. For the better.

Linda/Holly/Ensemble:

LINDA

Looking for Robbie? He's indisposed right now...**(smiles, whispers)** Shower.

I'm Linda....Robbie's fiance.....that's right FI - ANCE -CEEEE!

I love the sound of that... I tried dating around, but Robbie and I have what you'd call a connection. It's like we were never apart. Oh par-don- aye my manners but did you want something? Can I leave a message for Robbie? Not much for words are ya? Julia? Right? I'll let him know you stopped by....and maybe you'll get an invite to be a waitress at our wedding!! Sweet right? Ta Ta!!

Rosie/Ensemble: (surprising Robbie in his basement bedroom)

Surprise! It's your wedding present! Oh, not just any queen size bed! Gotta quarter?

(She puts the quarter in and the bed begins to vibrate)

I bought it off the Hackensack Motel Six! Don't worry, it's been disinfected.

Whoo, that takes me back. You and Linda are gonna have some wedding night on this thing! And then, maybe you can finish writing the song for my anniversary party... I came up with some words, maybe you could set them to music?

After you get back from your honeymoon, of course.

Ya nervous? Not about the wedding. About the wedding night?

Will this be your first time with the sexual intercourse?

Now, there's nothing to be ashamed about.

You know before I married your grandfather, I had already been with eight men.

That was a lot back then. That would be like two hundred men today.

Kids Ages 13-15:

SYNDROME

See? Now you respect me, because I'm a threat. That's the way it works. Turns out, there are a lot of people, whole countries, who want respect, and they will pay through the nose to get it. How do you think I got rich? I invented weapons, and now I have a weapon that only I can defeat, and when I unleash it, I'll get... You sly dog! You got me monologuing! I can't believe it. It's cool, huh? Zero-point energy. I save the best inventions for myself. Am I good enough now? Who's super now? I'm Syndrome, your nemesis and... Oh, brilliant. Ha Ha Ha!!
